Where You go, I will go,
Where You stay I will stay.
Your people will be my people,
Your God will be my God,
Your God will be my God,
Your God will be my God.

Where You die, I will die;
Be buried where You are buried.
May the Lord God deal ever so strongly with me
If anything but death separates me from you.
May I never separate from Him,
May I never separate from Him.

(The Lord answers)

I Am your God and will show you where to go.
Where you stay, I will be with you.
My people will be your people,
And I will be your God.
I will be your God,
I will be your God.

When you die, I will raise you up,
And you will always be with Me.
Stay with Me and I will stay with you
I will not separate Myself from you.
Never separate Myself from you,
Never separate Myself from you.
